

# Timberix™ Melamine

Trademark and 2025 ©

The Timberix™ Melamine range of finishings is engineered to deliver a clean, durable surface ideal for modern interiors. These panels feature a melamine-impregnated surface film over an MDF core, offering excellent resistance to wear, staining, cracking, and bacterial growth. Available in 15mm thickness with a matte finish, Timberix™ Melamine combines dependable quality with versatile design potential.

## Technical Specifications
